The proposed amendment to the State Constitution would base the taxable value of property upon "acquisition value" for property sold after January 1, 2007. The Legislature may authorize the assessed value of such property to be annually adjusted by up to three percent, using the 2003 assessed property valuation as the base year. The taxable value of the property may be further adjusted if the property has changed use or classification or has been subject to addition, improvement or destruction. <p>November 7, 2006</p>	<p>South Dakota</p>	<p>Pennington County</p>
<p><b>INSTRUCTIONS TO THE VOTER</b></p>		
<p>To vote on a ballot question fill in the oval (●) next to "Yes" or "No". DO NOT cast more votes than are allowed in each race.</p>		
<p><b>CONSTITUTIONAL AMENDMENT E</b></p>		
<p><b>Title:</b> An Amendment to Article VI of the South Dakota Constitution, relating to judicial decisions.</p>		
<p><b>Attorney General Explanation:</b> Citizens serving on juries, school boards, city councils, county commissions, or in similar capacities, and prosecutors and judges, are all required to make judicial decisions. Their decisions may be reversed on appeal, or they may be removed from office for misconduct or by election. However, they cannot be made to pay money damages for making such decisions. This allows them to do their job without fear of threat or reprisal from either side.</p>		
<p>The proposed amendment to the State Constitution would allow thirteen special grand jurors to expose these decision makers to fines and jail, and strip them of public insurance coverage and up to one-half of their retirement benefits, for making decisions which break rules defined by the special grand jurors. Special grand jurors are drawn from those who submit their names and registered voters.</p>		
<p>The proposed amendment is retroactive. The special grand jurors may penalize any decision-maker still alive for decisions made many years ago.</p>		
<p>If approved, the proposed amendment will likely be challenged in court and may be declared to be in violation of the US Constitution. If so, the State may be required to pay attorneys fees and costs.</p>		
<p><input type="radio"/> <b>Yes</b> A vote "Yes" will change the Constitution.</p>		
<p><input type="radio"/> <b>No</b> A vote "No" will leave the Constitution as it is.</p>		
<p><b>CONSTITUTIONAL AMENDMENT F</b></p>		
<p><b>Title:</b> An Amendment to Article III of the South Dakota Constitution, relating to the Legislature.</p>		
<p><b>Attorney General Explanation:</b> This proposed amendment to the State Constitution includes recommendations by the Constitution Revision Commission.</p>		
<p>The amendment would remove the current limitation on expense reimbursements received by legislators, and would allow legislators to receive salary, per diem, expenses and mileage reimbursement as provided by law.</p>		
<p>The amendment would remove the current specific prohibitions against enacting private or special laws. The Legislature would be restricted by a general prohibition against enacting a special law when a general or local law can be made applicable.</p>		
<p>The amendment would remove the Congressional term limit, which the federal courts have found unconstitutional. The procedure for introduction of a bill would be shortened. The amendment would require a two-thirds vote to close a legislative session to the public and prohibit any vote to be taken in a closed session. The amendment would allow the Legislature to exercise emergency powers in the event of man-made and natural disasters.</p>		
<p><input type="radio"/> <b>Yes</b> A vote "Yes" will change the Constitution.</p>		
<p><input type="radio"/> <b>No</b> A vote "No" will leave the Constitution as it is.</p>		
<p><b>Initiated Measures</b></p>		
<p>The following initiated measures were proposed by petition for submission to the voters. These initiated measures will not become effective unless approved by majority vote.</p>		
<p><b>INITIATED MEASURE 2</b></p>		
<p><b>Title:</b> An Initiative to increase the tax on cigarettes and tobacco products and to dedicate the revenues.</p>		
<p><b>Attorney General Explanation:</b> South Dakota currently taxes tobacco products. The proposed law would increase taxation on tobacco products sold in the state. The tax on a 20 stick cigarette package would be raised by \$1.00; the tax on a 25 stick cigarette package would be raised by \$1.25. The tax on all other tobacco products such as cigars, roll-your-own, and chewing tobacco, would increase from 10 percent to 35 percent of the wholesale price.</p>		
<p>The proposed law would deposit up to \$30 million of tobacco tax revenue into the state general fund. The next \$5 million, if any, will be deposited in the tobacco prevention and reduction trust fund. Tobacco tax revenue in excess of \$35 million, if any, will be divided among the property tax reduction fund, the education enhancement trust fund, and the health care trust fund. The proposed law also establishes continuous appropriations out of the tobacco prevention and reduction trust fund for specified purposes.</p>		
<p><input type="radio"/> <b>Yes</b> A vote "Yes" will adopt the proposed law.</p>		
<p><input type="radio"/> <b>No</b> A vote "No" will reject the proposed law.</p>		
<p><b>INITIATED MEASURE 3</b></p>		
<p><b>Title:</b> An Initiative to prohibit starting a school term prior to the last day of August.</p>		
<p><b>Attorney General Explanation:</b> State law currently allows local school boards to establish the start of a regular school term on any date. The proposed law would prohibit local school boards from establishing the start of a regular school term prior to the last day of August.</p>		
<p><input type="radio"/> <b>Yes</b> A vote "Yes" will adopt the proposed law.</p>		
<p><input type="radio"/> <b>No</b> A vote "No" will reject the proposed law.</p>		
<p><b>INITIATED MEASURE 4</b></p>		
<p><b>Title:</b> An act to provide safe access to medical marijuana for certain qualified persons.</p>		
<p><b>Attorney General Explanation:</b> This initiative would allow persons, including minors with parental consent, with a debilitating medical condition, to be certified to grow (not more than six plants), possess (not more than one ounce) and use small amounts of marijuana for medical purposes.</p>		
<p>"Debilitating medical condition" is defined to include cancer, glaucoma, HIV, AIDS, or a chronic, debilitating condition that produces cachexia, wasting syndrome, severe or chronic pain, severe nausea, seizures, including epileptic seizures, severe or persistent muscle spasms, including spasms caused by spinal injury, multiple sclerosis, Crohn's disease or fibromyalgia or any other medical condition approved by the Department of Health.</p>		
<p>Certification may be accomplished by submitting medical records to the Department of Health or by submitting a doctor's recommendation.</p>		
<p>A person may not drive while impaired by marijuana and may not smoke marijuana in any place where tobacco smoking is prohibited.</p>		
<p>Growth, possession and use of marijuana will still be illegal under federal law but certification is a defense to criminal prosecution under state law.</p>		
<p><input type="radio"/> <b>Yes</b> A vote "Yes" will adopt the proposed law.</p>		
<p><input type="radio"/> <b>No</b> A vote "No" will reject the proposed law.</p>		
<p><b>INITIATED MEASURE 5</b></p>		
<p><b>Title:</b> An Initiative to place certain restrictions on the use of state owned or leased aircraft.</p>		
<p><b>Attorney General Explanation:</b> State law currently allows state employees to use vehicles owned or leased by the State only for state business. There is a limited exception for state employees with a supervisor's approval. The Governor and certain law enforcement personnel are exempt.</p>		
<p>The proposed law requires aircraft owned or leased by the State to be used only for state business, with no exceptions. A person violating this provision would now be subject to civil and criminal penalties.</p>		
<p><input type="radio"/> <b>Yes</b> A vote "Yes" will adopt the proposed law.</p>		
<p><input type="radio"/> <b>No</b> A vote "No" will reject the proposed law.</p>		
<p><b>INITIATED MEASURE 7</b></p>		
<p><b>Title:</b> An Initiative to repeal video lottery.</p>		
<p><b>Attorney General Explanation:</b> The State operates video lottery as authorized by State law. During the last year, the State received approximately one hundred twelve million dollars (\$112,000,000.00) from video lottery which is 11% of the state general fund budget.</p>		
<p>The proposed law would repeal video lottery and eliminate this source of revenue.</p>		
<p><input type="radio"/> <b>Yes</b> A vote "Yes" will adopt the proposed law.</p>		
<p><input type="radio"/> <b>No</b> A vote "No" will reject the proposed law.</p>		
<p><b>INITIATED MEASURE 8</b></p>		
<p><b>Title:</b> An Act to repeal the gross receipts tax on wireless telecommunication services.</p>		
<p><b>Attorney General Explanation:</b> State laws impose a four percent tax on the gross receipts of companies providing wireless telecommunications (cell phone) services instead of a property tax.</p>		
<p>Last year the State received approximately eight and one-half million dollars (\$8,500,000.00) from the cell phone tax. Forty percent (40%) of these revenues are distributed to counties based on population; the balance goes to the State.</p>		
<p>The proposed law would repeal this tax, and eliminate this source of revenue.</p>		
<p><input type="radio"/> <b>Yes</b> A vote "Yes" will adopt the proposed law.</p>		
<p><input type="radio"/> <b>No</b> A vote "No" will reject the proposed law.</p>		
<p><b>REFERRED LAW</b></p>		
<p>The following law was adopted by the Legislature and referred to the voters by petition. This law will not become effective unless approved by majority vote.</p>		
<p><input type="radio"/> <b>Yes</b> A vote "Yes" will allow the Act to become effective.</p>		
<p><input type="radio"/> <b>No</b> A vote "No" will reject the Act.</p>

<p><b>ORDINANCE 438</b></p>		
<p>CITY ATTORNEY EXPLANATION OF BALLOT ISSUE REGARDING RUN OFF ELECTIONS</p>		
<p>Ordinance No. 438, if passed, would require a run off election for the office of Mayor or Alderman when there are three or more candidates running for a position and none of them receive a majority (50% plus) vote. In that event, the top two vote getters would have a run off election two weeks later. The intent of the Ordinance is to make sure that the person running for office receives at least a majority vote of the people voting to be elected.</p>
